

# NEW YORK CITY INTERNSHIP PROGRAM

## PARTNER WITH VANDERBILT TO SHAPE FUTURE LEADERS

The Vanderbilt Academic Internship Program in New York City\* connects leading companies with talented Vanderbilt students who are eager to bring fresh perspectives and dedicated work ethic to your organization. By hosting our students, companies can tap into a diverse pool of future leaders equipped with the latest academic insights and innovative problem-solving skills.

*\*Details and program are subject to change given NYSED's pending approval.*

## BENEFITS OF ENGAGING WITH VU STUDENTS

### Talent Pipeline

Access to motivated and highly qualified students eager to contribute.

### Interdisciplinary Perspectives

Enrich your teams with fresh, innovative approaches.

### Brand Visibility

Strengthen your relationship with a prestigious university and increase brand presence among future leaders.

### Networking

Build connections with Vanderbilt faculty and potential future employees.

## YOUR IMPACT

Empower students by providing field-specific internships leading to meaningful growth and professional development. Internships are customized based on each student's school requirements and career field.

## COMPANY COMMITMENTS\*

- **Hours:** 18–28 hours (e.g. three 8-hour days)
- **Location:** At least 30–50% on-site in NYC (aligned with employer in-office expectations)
- **Role:** All academic internship opportunities must align to the requirements of the program
- **Schedule:** Flexible, designed around academic class schedules
- **Supervision:** Active supervisor engagement, varies by program
- **Student profile:** 100 juniors and seniors from the College of Arts & Science, School of Engineering and Peabody College (Human & Organizational Development majors)
- Internship is for **credit** during the fall and/or spring semester(s)
- **Pay:** Preference is paid internship experience

*\*Internship opportunities must align with the requirements of the program*
